Case No. CV413-060

REPORT AND RECOMMENDATION

On June 10, 2013, the Court authorized newspaper publication service of the Complaint in this case. Doc. 21. Other than an Affidavit of Publication filed the next month, doc. 22, there has been no litigation activity since. So, the Court directed plaintiff to show why its case should not be dismissed without prejudice under Fed. R. Civ.P. 4(m) and 41(b). It has failed to comply, so this case should be **DISMISSED**.

SO REPORTED AND RECOMMENDED, this 28th day of April, 2015.
